HOW COTTAR'S SPA WORKS

All our treatments are listed and priced in this pamphlet. Please come 10 minutes prior to your spa appointment.

1. What kind of massage or spa service would you like?
2. What kind of organic African base oils would you like?
3. What kind of aromatherapy essential oils would you like?
4. And lastly whether you have any injuries or allergies that we need to know about.

Your spa therapist will then get you comfortable and prepare the bespoke ingredients.
